JOIN US FOR A VERY SPECIAL COCKTAIL PARTY

To conclude this year's programme of celebratory events, we will be hosting a special European Members' drinks reception on Tuesday 3 December, and would be delighted if you could attend.

Join us to hear officers and directors of the incoming Board sharing some of the exciting plans and vision for the IACP in 2020. It will be an opportunity to learn more about the enhanced benefits of being a member for you and your company, and another chance for us to come together as a senior claims community before the holiday season starts in earnest.

We will also be extending invitations to past members, potential new-members and risk managers as a way of broadening the network and inspiring others to get involved. If you would like to nominate anyone else from the senior claims community whose company is not currently a member, please contact the IACP Executive Director.

As an organisation, our strength comes from our members and their active participation, and we would like to thank you all for your continued support.
